Come to Venice of the West!

Reinvigorate your writing with daily poetry, meditation and writing in the beautiful city of Venice, California. Start your day with light yoga and creative meditation. Spend the afternoon shaping your words guided by your instructors and imagination.

Then find a quiet place in the Poet's Garden to write, or meander down to the beach or stroll along the hippest street in Venice: Abbot Kinney with a guided literary walking tour of the area.

Housed in the original Venice Beach City Hall building built in 1906, Beyond Baroque Literary Arts Center has played muse to the Venice Beats, the burgeoning Punk movement and visiting scholars, let it inspire you!
